DETAILED ACTION

1. Claims 1-6 are allowed.
2. Claims 7-20 were cancelled in the amendment received on August 28, 2007.

Drawings

3. The drawing filed on January 22, 2004 are accepted by the examiner.

REASONS FOR ALLOWANCE

4. The following is a statement of reasons for the indication of allowable subject matter:

The prior art of record does not render obvious to one ordinarily skilled in the art at the time of applicant's invention nor anticipate the combination of claimed elements including "a buffer cache suitable to store a plurality of said extents; a database engine suitable to process a plurality of queries with respect to particular said data by: reviewing each said query to determine a respective extents list of said extents containing said particular said data needed by that said query; retrieving said extents from said memory devices as ordered in said extents lists; storing said extents that are retrieved in said buffer cache; and executing said queries on said particular said data in respective said extents stored in said buffer cache to determine respective results; and a query monitor suitable to re-order said extents lists so that said extents that are

Art Unit: 2167

retrieved and stored in said buffer cache are used more efficiently by said queries" as recited in independent claim 1.

The remaining claims, 2-6, are dependent claims, thus these claims are patently distinct over the art of record for at least the above reasons.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
